Notice To All Passengers Traveling on the Visa Waiver Program (VWP)

Implementation of the Electronic System for Travel Authorization ("ESTA") Program

As of January 12, 2009, all VWP applicants are required to obtain approval through the ESTA **PRIOR** to traveling to the United States. ESTA is a web-based system, initially launched in August 2008, that determines the preliminary eligibility of visitors to travel under the VWP prior to boarding a carrier to the United States. You **MUST** complete the form located at <https://esta.cbp.dhs.gov> and provide Hop-A-Jet Worldwide Jet Charter with the resulting ESTA Authorization Number **PRIOR** to your flight. We strongly recommend you allow at least three (3) business days to acquire your ESTA Authorization Number. If you are traveling on the VWP, you will not be allowed to board the aircraft without this number.

According to the Department of Homeland Security ("DHS"), the ESTA program gathers data currently requested on the Form I-94W Arrival/Departure Record for aliens seeking admission to the United States under the VWP. This data collected is evaluated by United States Customs & Border Protection ("USCBP") to determine the eligibility of citizens and eligible nationals of VWP countries to travel to the United States and whether such travel poses a law enforcement or security risk. This determination will be made by USCBP before such persons travel to the U.S. A travel determination made under ESTA will remain, with certain exceptions, valid for two years and may be used for multiple applications for admission.

DHS notes that a travel authorization issued under ESTA is not a determination of admissibility to the United States, nor is it a determination of eligibility to receive a visa. Aliens refused a travel authorization under ESTA will not be eligible to travel to the U.S. under the VWP. However, they remain eligible to apply for a visa at a United States consulate. An alien planning to travel to the U.S. with a visa will not be required to obtain an ESTA determination.

The <https://esta.cbp.dhs.gov> began accepting voluntary applications for ESTA determinations on August 1, 2009. However, ESTA determinations are now mandatory for all VWP applicants.
